SPRING 2014

STICKERS ELIMINATED BEGINNING MAY 2014

In an effort to extend a savings to residents, the Village Board approved an ordinance eliminating vehicle stickers beginning May 1, 2014. The Finance Committee reported during its 2014 budget review that they believed the vehicle sticker program was inefficient based on preliminary findings and requested a comprehensive review of the program. The results of a detailed cost analysis were presented to the board which reflected that the program is not cost effective.

The decision to eliminate the program was made in conjunction with discussions regarding whether or not a flat tax levy should be pursued. Upon analyzing the matter, it was agreed that the elimination of vehicle stickers was the more fiscally sound alternative given the cost to administer the program and in most cases it will provide residents a greater savings. Pursuing a flat levy would save the average household approximately \$8 annually, but eliminating vehicle stickers will provide a savings of \$20 annually to a household with two vehicles.

Revenues derived from the sale of vehicle stickers are used to support the cost of street lighting. The recent implementation of the new video gaming tax has provided the Village a new user based revenue that can help cover the cost of street lighting in lieu of vehicle stickers. The action taken by the board will take effect beginning May 1, 2014. Residents should note that vehicle stickers are still required at this time.

Downtown Survey

The Village is conducting a survey! Through the efforts of the Johnsburg Economic Development Committee and our consultants, the Village has been working to establish a plan for the future development of the Downtown District. Over the past few years, our efforts focused on learning about what elements make a successful and sustainable downtown. We have found that those elements include sidewalks, street and pedestrian lighting, adequate parking, and a blend of housing and business uses. To that end, the Village Board adopted standards for street scape enhancements which are already being incorporated as a part of the Johnsburg Road Improvement Project.

The next step towards developing a successful downtown depends upon input from our community regarding land uses and architectural features. We believe there are opportunities for development and re-development within the downtown district. In preparation for these potential occurrences, the Village desires to establish guidelines to insure a compatible and sustainable balance between new development and existing uses.

Please take a few moments and provide your input. Go to the Village's website at johnsburg.org and click on the "Downtown Survey" link on the front page. By participating in the survey, you can help direct the future of our downtown. We greatly appreciate your participation in this important endeavor.

President's Letter

Each year the holiday season seems to pass us by more quickly and before you know it we are starting a new year. I hope you had an opportunity to spend the season with family and friends enjoying some of the area's festivities.

During the holiday season, many local civic organizations, residents and business owners extended a helping hand through programs and events aimed at helping some of our less fortunate residents. We are truly grateful to all of the volunteers who work tirelessly to make it all possible.

Community Affairs Committee Member John O'Brien and volunteers from the community pulled together their resources to construct a new outside skating rink in Rescue Squad Park. We are truly grateful to the many residents and organizations who worked together to make this project happen. See the article on page 4 for more information.

Congratulations to Cheryl Trione, a Chemistry teacher at Johnsburg High School for being selected as the December 2013 Teacher of the Month by Home State Bank.

Walla-Pa-Looza recently announced the establishment of the John Smidl Memorial Scholarship. The scholarship will be open to current cancer patients and cancer survivors who are either juniors or seniors in High School. If you wish to apply or obtain more information go to www.walla-pa-looza.org. Scholarship applications and essays are due Wednesday, April 30, 2014.

It's been six years since Robert Roe and several volunteers began the Dutch Creek wetlands restoration project which is still going strong today. For more information about this project please email rlroe66@gmail.com.

The next phase of the Johnsburg Road Construction Project, commonly referred to as Contract Two, is expected to begin in March. This phase of the project consists of utility work and the construction of a modern roundabout at the St. Johns Avenue/Chapel Hill Road intersection. It also includes the continuation of sidewalks, pedestrian lighting and other streetscape enhancements. We urge you to monitor the project's website at johnsburgroad.com and sign up for email alerts to keep on top of road closures and other construction impacts. You can also receive updates from the Village by signing up for our email alerts at Johnsburg.org. Go to page 5 to read more.

In closing, I want to thank all of our residents and business owners for their patience and cooperation during this season's relentless winter weather. I would also like to extend a special thanks to our public works crews for the tremendous job they are doing keeping our roads open for safe passage; our police officers and the many private citizens who have aided motorists in need; and the many hard working people who helped clear snow for their neighbors. By working together we can weather any storm.

Respectfully

Edwin P. Hettermann

Village President

Rescue Squad Park Ice Rink

Despite the challenging weather, we hope you've had a chance to enjoy the Village's new outdoor ice rink at Rescue Squad Park. If not, we encourage you to try it out. The rink was made possible through the efforts of the Community Affairs Committee and many volunteers from the community. It was constructed primarily through monetary, material and labor donations. We would like to thank the following volunteers and contributors that made this project possible:

Community Affairs Committee Member John O'Brien for taking the lead on this project; Northwest Pallet Supply of Belvidere and Trustee Greg Klemstein for their generous monetary donations; Fox Lake/Volo Home Depot and Assistant Store Manager Paul Schultz for their generous discounts on materials; and Fire Chief Tony Huemann and the crew at McHenry Township Fire Protection District along with Jeff Huemann of Huemann Well Drilling for supplying tanker trucks of water to fill the rink.

We'd also like to thank the Johnsburg Men's Club and the Johnsburg Community Club for supplying the water and electricity to maintain the rink and the following individuals who helped support, build and maintain the rink; Frank Cavanaugh, Ken Calhoun, Matt Colby, Karl Nitz, Clark Beirman, Brian Rich, Marty Palmer, Nick Leight, Greg Sisk, Erik Doersam, Brian Ghera, and Tom Cleveland.

We truly appreciate your continued commitment to our community and your help in giving our residents a place to gather and enjoy more winter activities.

JOHNSBURG COMMUNITY CLUB SUPER RAFFLE

The Johnsburg Community Club will be holding its 22nd Annual Super Raffle on Friday, May 9th. The Club opens at 6:30 p.m. with dinner being served at 7:30 p.m. The chef plans to offer steaks and chicken breasts that will be grilled to perfection on the premises. Each Super Raffle ticket costs \$100 and includes one complimentary steak or chicken dinner and an entry into the double elimination Calcutta Super Raffle. Additional dinners are available for \$20.

BUSINESS REGISTRATIONS

In accordance with Chapter 7.01-B of the Johnsburg Municipal Code, all businesses are required to register with the Village no later than April 30th of each year. This includes home based businesses as well. Registration questionnaires are available through the Village Hall. The annual registration fee is waived if the registration questionnaire is completed and returned to the Village by April 30th.

By registering your business with the Village your business will be included in our business listing on the Village's website. Additionally, we are able to direct inquiries about specific businesses to those located in our community. The Village of Johnsburg encourages everyone to shop and pursue services locally.

If you've registered your business in previous years, you will receive a prefilled registration form which simply needs to be updated and returned to the Village. If you are a new business or have not registered in the past, you can either print the registration form from our website at johnsburg.org (Click on Resident Handbook then Forms) or stop by the Village Hall to pick up an application.

Chapter 7 of the Johnsburg Municipal Code also requires all vending machines (dispensing pop, candy, tobacco and other food items), and electronic amusement devices (such as pool tables, dart boards and juke boxes) to be licensed by the Village. Contact the Village Hall for more information and to obtain the required license.

Go to Facebook and Twitter, and join the Village of Johnsburg. We'll send you updates about Village news and happenings. Also, don't forget to sign up for our e-newsletter at www.johnsburg.org

Johnsburg Road Construction 2014

The next phase of the Johnsburg Road Construction Project will begin this spring. This phase of the project consists of utility work and the construction of a modern roundabout at the St. Johns Avenue/Chapel Hill Road intersection. Streetscape enhancements such as sidewalks, park benches and pedestrian lighting will also be continued through this phase of the project. The project is primarily funded by federal grants geared towards projects that alleviate roadway congestion, improve safety and provide streetscape enhancements. Additional funding for the project is being provided by the McHenry County Division of Transportation and the Village of Johnsburg.

More information will be sent out via email alerts to keep you informed of construction activities throughout the project. If you are not on our email list this would be a great time to join. Go to johnsburg.org and sign up for our e-mail blasts. You can also monitor the construction's progress through the project's website at www.JohnsburgRoad.com. From this website, you can view project photos and detour maps and sign up for email notifications of road closures and other construction impacts.

To learn more, visit the project website at www.JohnsburgRoad.com. From the website, you can view project photos, detour maps, the plans for the project, and ask questions. You can also sign up for email updates or follow the progress on Facebook or Twitter. Visit the project website to link to our social media sites.
