

Village Board Report – August 2014

Welcome to the Village Board Report which is placed on our website monthly to keep you informed of actions taken by the Village Board on ordinances and other significant matters.

Resolution for Local Matching Funds – At the August 5, 2014 meeting, the Village Board approved a Resolution to set aside matching funds required to pursue a Surface Transportation Program (STP) grant to improve Church Street.

Back up Special Service Area – Remington Grove Subdivision – At the August 5, 2014 meeting, the Village Board approved ordinances proposing the establishment of backup Special Service Areas (SSAs) for Remington Grove Subdivision. The proposed SSAs would serve as a backup means of funding the cost of maintenance of common areas should the homeowners associations fail to do so.

Garrelts Special Use Permit – At the August 5, 2014 meeting, the Village Board reviewed a request for a special use permit from Steve Garrelts to permit the outside storage of vehicles, boats, and recreational vehicles with screening unrelated to the principal use of the property at 3420 N. Richmond Road. At the August 19, 2014 meeting, the Board approved an ordinance granting the requested special use permit.

Johnsburg State Bank Letter of Credit Draw – At the August 19, 2014 meeting, the Village Board ratified actions to draw upon the Letter of Credit from Johnsburg State Bank for Thurman Estates Subdivision. The draw on the Letter of Credit was pursued to cover the cost of incomplete public improvements in Thurman Estates Subdivision.

McRide - At the August 19, 2014 meeting, the Village Board approved a Memorandum of Understanding with the McHenry County Division of Transportation to participate in the McRide public transportation program for expanded public transit in Johnsburg.

Village Accountant -at the August 19, 2014 meeting President Hettermann informed the Village Board that the Village will be advertising through the Council of Governments and IML to fill a full-time Village Accountant position in preparation for the retirement of the existing Accountant.
