

Village Board Report – November 2014

Welcome to the Village Board Report which is placed on our website monthly to keep you informed of actions taken by the Village Board on ordinances and other significant matters.

Remington Grove Backup SSAs – At the November 18, 2014 meeting, the Village Board ratified the establishment of backup SSAs for Remington Grove Subdivision. The SSAs are established as a backup means of collecting funds to support the cost of maintenance of common areas should the homeowner's associations fail to maintain the areas in the future.

Gate/Automated Entry System – At the November 18, 2014 meeting the Board approved the purchase of a new gate and automated entry system for the Public Works facility. The improvement is just one of many added security measures being instituted at Village facilities.
