

Village Board Report – September 2015

Welcome to the Village Board Report which is placed on our website monthly to keep you informed of actions taken by the Village Board on ordinances and other significant matters.

Sandalwood Lane Road Resurfacing– At the September 24, 2015 special meeting the Board authorized the asphalt removal and resurfacing of a portion of Sandalwood Lane.

Wastewater Treatment System Funding and Extensions - At the September 24, 2015 special meeting the board discussed the Sunnyside Beach/Fairview Avenue/Church Street sewer extension project. A petition was received from residents on Sunnyside Beach representing a majority support to move forward with a Special Service Area (SSA) to fund the sewer extension project. The Village Board agreed to pursue up to a \$250,000 loan to help with a portion of the costs which will be recouped from future connections on Fairview Avenue and Church Street.
